It was a big big world,
C
but we thought we were bigger.
Pushing each other to the limits,
D
we were learning quicker.
Em D G
By eleven smoking herb
C
and drinking burning liquor
D
Never rich so we were out to make that steady figure

I always have that dream
C
like my Daddy before me
So I'm started writing songs

just always seemed to bore me,
Cause only those I really love
D
will ever really know me

[Verse 3]

 C
my story got told,

 D
before the morning sun, when life was lonely.

Em D G C
Once I was twenty years old

Em D G
I only seek my goals,
 C
I don't believe in failure.

Cause I know the smallest voices,

 D
they can make it major,

Em D G C
I got my boys with me at least those in favour

and if we don't see before I leave,

 D
I hope to see you later.

[Verse 4]

Em D G
Once I was 20 years old

 C
my story got told

I was writing about everything,

 D
I saw before me

Em D G C
Once I was 20 years old

Em D G
Soon we'll be 30 years old

 C
our songs have been sold

we've travelled around the world

 D
and we're still rolling

Em D G C
Soon we'll be 30 years old

[Verse 5]

Em G
I'm still learning about life

 C
my woman brought children for me

so I can sing them all my songs
and I can tell them stories
Most of my boys are with me
some are still out seeking glory

And some I had to leave behind
my brother I'm still sorry

[Verse 6]

Soon I'll be 60 years old
my daddy got sixty-one
remember life and then your life
becomes a better one
I made a man so happy
when I wrote the letter once
I hope my children come and visit
once ore twice a month

[Verse 7]

Soon I'll be 60 years old
will I think the world is cold
will I have a lot of children
who can bore me
Soon I'll be 60 years old
Soon I'll be 60 years old
will I think the world is cold
when I have a lot of children
who can warm
Soon I'll be 60 years old
