

I HAVE A DREAM - ABBA

[Verse 1]

C G C
I have a dream, a song to sing

G C
To help me cope, with anything

G C
If you see the wonder, of a fairy tale

G C
you can take the future, even if you fail

[Chorus]

G
I believe in angels

F C
Something good in, everything I see

G
I believe in angels

F C
When I know the time, is right for me

G
I'll cross the stream

C
I have a dream

[Verse 2]

G C
I have a dream, a fantasy

To help me through, reality

And my destination, makes it worth the while

pushing through the darkness, still another mile

[Chorus]

I believe ... in angels

Something good in, everything I see

I believe in angels

When I know the time, is right for me

I'll cross the stream

I have a dream

I'll cross the stream

I have a dream
